

Orlando Executive Tower: Pilot/Controller Communication Issues

Hear a senior controller, Robert Cannon, address current hot topics of pilot/controller communication. What is the controller's number one issue, how can pilots smooth the way in dealing with the Tower, what are the critical safety concerns of the Tower? An open discussion with the Tower Controller will follow the presentation.

Directions: From Colonial Drive turn south on Rickenbacker Dr. Continue past Fairgreen St. to the end of Rickenbacker Dr. and into the parking lot. Park in any available spot. Walk east to the Airport Administration Building.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
